

Courses Related to SDGs

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	D3	Farmasi	ILMU PERILAKU & ETIKA PROFESI	This course focuses on ethics, integrity, and responsible professional conduct. It connects to strong institutions by promoting accountability, transparency, and trust.	16	
1251	D3	Farmasi	FARMASETIKA II	This course focuses on pharmaceutical knowledge, medicines, and safe health-related practice. It connects to improving public health through effective, ethical, and accessible healthcare solutions.	3	
1251	D3	Farmasi	BIOKIMIA	This course focuses on health, clinical practice, or human well-being within Farmasi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	D3	Farmasi	P. TEK SED LIKUID & SEMI PADAT	This course focuses on health, clinical practice, or human well-being within Farmasi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	D3	Farmasi	BIOSTATISTIKA	This course focuses on health, clinical practice, or human well-being within Farmasi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	D3	Farmasi	PRAKTIKUM PELAYANAN FARMASI	This course focuses on pharmaceutical knowledge, medicines, and safe health-related practice. It connects to improving public health through effective, ethical, and accessible healthcare solutions.	3	
1251	D3	Farmasi	MANAJEMEN SISTEM INFORMASI	This course focuses on management and organizational performance. It connects to sustainable economic growth by strengthening responsible leadership, productivity, and institutional effectiveness.	8	
1251	D3	Farmasi	P. TEKNOLOGI SEDIAAN STERIL	This course focuses on health, clinical practice, or human well-being within Farmasi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	D3	Farmasi	KOSMETOLOGI	This course focuses on pharmaceutical knowledge, medicines, and safe health-related practice. It connects to improving public health through effective, ethical, and accessible healthcare solutions.	3	

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	D4	Teknologi Laboratorium Medis	ANATOMI DAN FISILOGI MANUSIA	This course focuses on health, clinical practice, or human well-being within Teknologi Laboratorium Medis. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	D4	Teknologi Laboratorium Medis	PRAKTIKUM BOKIMIA	This course focuses on health, clinical practice, or human well-being within Teknologi Laboratorium Medis. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	D4	Teknologi Laboratorium Medis	PRAKTIKUM ANATOMI FIS. MANUSIA	This course focuses on health, clinical practice, or human well-being within Teknologi Laboratorium Medis. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	D4	Teknologi Laboratorium Medis	PRAKTIKUM BAKTERIOLOGI KLINIK	This course focuses on biomedical and laboratory knowledge for understanding disease, diagnosis, and prevention. It connects to stronger healthcare systems and improved public health outcomes.	3	
1251	D4	Manajemen Perhotelan (D4)	PENG. PARIWISATA & HOSPITALITI	This course focuses on tourism or hospitality development in community and destination contexts. It connects to sustainable cities and communities by supporting responsible tourism and local well-being.	11	8
1251	D4	Manajemen Perhotelan (D4)	BHS. INGGRES KOM. HOSPITALITI	This course focuses on community, urban, or regional development. It connects to sustainable communities by supporting resilience, livability, and responsible planning.	11	8
1251	D4	Manajemen Perhotelan (D4)	DASAR-DASAR MANAJEMEN	This course focuses on management and organizational performance. It connects to sustainable economic growth by strengthening responsible leadership, productivity, and institutional effectiveness.	8	
1251	D4	Manajemen Perhotelan (D4)	ETIKET & PROTOKOL PARIWISATA	This course focuses on tourism or hospitality development in community and destination contexts. It connects to sustainable cities and communities by supporting responsible tourism and local well-being.	11	8
1251	D4	Manajemen Perhotelan (D4)	K3 HOSPITALITI	This course focuses on community, urban, or regional development. It connects to sustainable communities by supporting resilience, livability, and responsible planning.	11	8
1251	D4	Manajemen Perhotelan (D4)	PENGOLAHAN ROTI & KUE DASAR	This course focuses on community, urban, or regional development. It connects to sustainable communities by supporting resilience, livability, and responsible planning.	11	8

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	D4	Manajemen Perhotelan (D4)	PENGOLAHAN MAKANAN DASAR	This course focuses on community, urban, or regional development. It connects to sustainable communities by supporting resilience, livability, and responsible planning.	11	8
1251	D4	Manajemen Perhotelan (D4)	MANJ. INVESTASI & SKB	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	D4	Manajemen Perhotelan (D4)	KWH & INOVASI PARIWISATA	This course focuses on tourism or hospitality development in community and destination contexts. It connects to sustainable cities and communities by supporting responsible tourism and local well-being.	11	8
1251	D4	Manajemen Perhotelan (D4)	BHS MANDARIN 2	This course focuses on community, urban, or regional development. It connects to sustainable communities by supporting resilience, livability, and responsible planning.	11	8
1251	D4	Manajemen Perhotelan (D4)	BAHASA JEPANG	This course focuses on community, urban, or regional development. It connects to sustainable communities by supporting resilience, livability, and responsible planning.	11	8
1251	D4	Manajemen Perhotelan (D4)	DSR-DSR AKUNTANSI HOSPITALITI	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	D4	Manajemen Perhotelan (D4)	BHS PERANCIS	This course focuses on community, urban, or regional development. It connects to sustainable communities by supporting resilience, livability, and responsible planning.	11	8
1251	D4	Manajemen Perhotelan (D4)	OP. TATA HIDANGAN MAKANAN	This course focuses on community, urban, or regional development. It connects to sustainable communities by supporting resilience, livability, and responsible planning.	11	8
1251	D4	Manajemen Perhotelan (D4)	SENI KARYA COKELAT DAN GULA	This course focuses on community, urban, or regional development. It connects to sustainable communities by supporting resilience, livability, and responsible planning.	11	8

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	D4	Manajemen Perhotelan (D4)	GASTRONOMI BERKELANJUTAN	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	3
1251	D4	Manajemen Perhotelan (D4)	MNJ. RELASI LAYANAN PELANGGAN	This course focuses on community, urban, or regional development. It connects to sustainable communities by supporting resilience, livability, and responsible planning.	11	8
1251	D4	Manajemen Perhotelan (D4)	MNJ. AKOMODASI, INOVASI & KWH	This course focuses on community, urban, or regional development. It connects to sustainable communities by supporting resilience, livability, and responsible planning.	11	8
1251	D4	Manajemen Perhotelan (D4)	PRAKTIK KERJA LAPANGAN	This course focuses on food, nutrition, agriculture, or biotechnology related to food systems. It connects to zero hunger by supporting food security, nutrition improvement, and sustainable production.	2	
1251	D4	Manajemen Perhotelan (D4)	PROYEK AKHIR	This course focuses on community, urban, or regional development. It connects to sustainable communities by supporting resilience, livability, and responsible planning.	11	8
1251	PR	Program Profesi Apoteker	STUDI KASUS KEFARMASIAN	This course focuses on pharmaceutical knowledge, medicines, and safe health-related practice. It connects to improving public health through effective, ethical, and accessible healthcare solutions.	3	
1251	PR	Program Profesi Dokter	ILMU KESEHATAN ANAK	This course focuses on health, clinical practice, or human well-being within Program Profesi Dokter. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	PR	Program Profesi Ners	KEPERAWATAN GADAR DAN KRITIS	This course focuses on health, clinical practice, or human well-being within Program Profesi Ners. It supports improved healthcare delivery, disease prevention, and quality of life.	3	

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	PR	Program Profesi Ners	KEPERAWATAN DASAR PROFESI	This course focuses on health, clinical practice, or human well-being within Program Profesi Ners. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	PR	Program Profesi Ners	KEPERAWATAN KELUARGA & KOMUNIT	This course focuses on health, clinical practice, or human well-being within Program Profesi Ners. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	PR	Program Profesi Ners	KEPERAWATAN MATERNITAS	This course focuses on health, clinical practice, or human well-being within Program Profesi Ners. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	PR	Program Profesi Ners	KEPERAWATAN MEDIKAL BEDAH	This course focuses on health, clinical practice, or human well-being within Program Profesi Ners. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	PR	Program Profesi Ners	KEPERAWATAN ANAK	This course focuses on health, clinical practice, or human well-being within Program Profesi Ners. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	PR	Program Profesi Ners	KEPERAWATAN PALIATIF	This course focuses on health, clinical practice, or human well-being within Program Profesi Ners. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	PR	Program Profesi Ners	MANAJEMEN KEPERAWATAN	This course focuses on health, clinical practice, or human well-being within Program Profesi Ners. It supports improved healthcare delivery, disease prevention, and quality of life.	3	8
1251	PR	Program Profesi Ners	KEPERAWATAN ELEKTIF	This course focuses on health, clinical practice, or human well-being within Program Profesi Ners. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	PR	Program Profesi Ners	KEPERAWATAN JIWA	This course focuses on health, clinical practice, or human well-being within Program Profesi Ners. It supports improved healthcare delivery, disease prevention, and quality of life.	3	

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	PR	Program Profesi Ners	KEPERAWATAN GERONTIK	This course focuses on health, clinical practice, or human well-being within Program Profesi Ners. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Fakultas Kedokteran	ETIKA KEDOKTERAN DAN HUKUM KES	This course focuses on health, clinical practice, or human well-being within Fakultas Kedokteran. It supports improved healthcare delivery, disease prevention, and quality of life.	3	16
1251	SP1	Fakultas Kedokteran	EPIDEMIOLOGI KLINIK DAN KEDOKT	This course focuses on biomedical and laboratory knowledge for understanding disease, diagnosis, and prevention. It connects to stronger healthcare systems and improved public health outcomes.	3	
1251	SP1	Radiologi	RADIOLOGI TORAKS 1	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI ANAK 1	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI TORAKS 2	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	NEURORADIOLOGI 1	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI INTERVENSI 1	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI TORAKS 3	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	NEURORADIOLOGI 2	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	SP1	Radiologi	RADIOLOGI ANAK 2	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI GAWAT DARURAT 1	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI TORAKS 4	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI INTERVENSI 2	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI GAWAT DARURAT 2	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	NEURORADIOLOGI 3	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI ANAK 3	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI INTERVENSI 3	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI TORAKS 5	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI GAWAT DARURAT 3	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	SP1	Radiologi	NEURORADIOLOGI 4	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI ANAK 4	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	NEURORADIOLOGI KLINIK	This course focuses on biomedical and laboratory knowledge for understanding disease, diagnosis, and prevention. It connects to stronger healthcare systems and improved public health outcomes.	3	
1251	SP1	Radiologi	ILMU KEDOKTERAN NUKLIR	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI GAWAT DARURAT 4	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	NEURORADIOLOGI 5	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI ANAK 5	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	RADIOLOGI TORAKS 6	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Radiologi	PENGENALAN RADIOTERAPI	This course focuses on mental health, behavioral understanding, and well-being. It connects to improved health outcomes by strengthening prevention, care, and psychosocial support.	3	

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	SP1	Radiologi	RADIOLOGI GAWAT DARURAT 5	This course focuses on health, clinical practice, or human well-being within Radiologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	KKLP	PERENCANAAN PROGRAM KESEHATAN	This course focuses on health, clinical practice, or human well-being within KKLP. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	KKLP	ETIKA HUKUM DAN PROFESIONALISME	This course focuses on ethics, integrity, and responsible professional conduct. It connects to strong institutions by promoting accountability, transparency, and trust.	16	
1251	SP1	KKLP	PENGANTAR KEDOKTERAN KELUARGA	This course focuses on health, clinical practice, or human well-being within KKLP. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	KKLP	KOMUNIKASI DOKTER PASIEN BERPU	This course focuses on health, clinical practice, or human well-being within KKLP. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	KKLP	KEDOKTERAN BERBASIS BUKTI PADA	This course focuses on health, clinical practice, or human well-being within KKLP. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	KKLP	KEGAWATDARURATAN DAN RUJUKAN K	This course focuses on health, clinical practice, or human well-being within KKLP. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	KKLP	KEDOKTERAN KELUARGA PADA MASAL	This course focuses on health, clinical practice, or human well-being within KKLP. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	KKLP	INTEGRASI KEDOKTERAN KELUARGA	This course focuses on health, clinical practice, or human well-being within KKLP. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	KKLP	NEUROLOGI HOLISTIK DI LAYANAN	This course focuses on health, clinical practice, or human well-being within KKLP. It supports improved healthcare delivery, disease prevention, and quality of life.	3	

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	SP1	KKLP	INTERGRASI KEDOKTERAN KELUARGA	This course focuses on health, clinical practice, or human well-being within KKLP. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	KKLP	KESEHATAN PERKOTAAN	This course focuses on health, clinical practice, or human well-being within KKLP. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Anesthesiologi & Terapi Intensif	FARMAKOLOGI KLINIK	This course focuses on pharmaceutical knowledge, medicines, and safe health-related practice. It connects to improving public health through effective, ethical, and accessible healthcare solutions.	3	
1251	SP1	Anesthesiologi & Terapi Intensif	METODE BELAJAR MENGAJAR	This course focuses on teaching, learning, and educational development. It supports quality education by strengthening inclusive, effective, and lifelong learning practices.	4	
1251	SP1	Anesthesiologi & Terapi Intensif	ANATOMI, FISILOGI DAN FARMAKA	This course focuses on pharmaceutical knowledge, medicines, and safe health-related practice. It connects to improving public health through effective, ethical, and accessible healthcare solutions.	3	
1251	SP1	Anesthesiologi & Terapi Intensif	PRINSIP DASAR TERAPI INTENSIF	This course focuses on mental health, behavioral understanding, and well-being. It connects to improved health outcomes by strengthening prevention, care, and psychosocial support.	3	
1251	SP1	Anesthesiologi & Terapi Intensif	PRINSIP DASAR MANAJEMEN NYERI	This course focuses on management and organizational performance. It connects to sustainable economic growth by strengthening responsible leadership, productivity, and institutional effectiveness.	8	
1251	SP1	Anesthesiologi & Terapi Intensif	PRINSIP DASAR KEDOKTERAN PERIO	This course focuses on health, clinical practice, or human well-being within Anesthesiologi & Terapi Intensif. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Anesthesiologi & Terapi Intensif	PRINSIP DASAR KEDOKTERAN GAWAT	This course focuses on health, clinical practice, or human well-being within Anesthesiologi & Terapi Intensif. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Anesthesiologi & Terapi Intensif	PRA PENDIDIKAN	This course focuses on teaching, learning, and educational development. It supports quality education by strengthening inclusive, effective, and lifelong learning practices.	4	

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	SP1	Anesthesiologi & Terapi Intensif	TERAPI INTENSIF I	This course focuses on mental health, behavioral understanding, and well-being. It connects to improved health outcomes by strengthening prevention, care, and psychosocial support.	3	
1251	SP1	Anesthesiologi & Terapi Intensif	KEGAWATDARURATAN DAN BENCANA I	This course focuses on health, clinical practice, or human well-being within Anesthesiologi & Terapi Intensif. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Neurologi	KESELAMATAN PASIEN	This course focuses on health, clinical practice, or human well-being within Neurologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Neurologi	NEUROANATOMI-NEUROFISIOLOGI	This course focuses on health, clinical practice, or human well-being within Neurologi. It supports improved healthcare delivery, disease prevention, and quality of life.	3	
1251	SP1	Neurologi	NEUROPATHOLOGI-BIOLOGI MOLEKUL	This course focuses on biomedical and laboratory knowledge for understanding disease, diagnosis, and prevention. It connects to stronger healthcare systems and improved public health outcomes.	3	
1251	SP1	Neurologi	NEUROFARMAKOLOGI	This course focuses on pharmaceutical knowledge, medicines, and safe health-related practice. It connects to improving public health through effective, ethical, and accessible healthcare solutions.	3	
1251	S1	Manajemen	EKONOMI MIKRO	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	S1	Manajemen	BUSINESS MATHEMATICS + LAB	This course focuses on entrepreneurship, business development, or market practices. It connects to decent work and economic growth by encouraging innovation, employability, and responsible enterprise.	8	
1251	S1	Manajemen	MATEMATIKA BISNIS + LAB	This course focuses on entrepreneurship, business development, or market practices. It connects to decent work and economic growth by encouraging innovation, employability, and responsible enterprise.	8	
1251	S1	Manajemen	MANAJEMEN KEUANGAN DASAR + LAB	This course focuses on management and organizational performance. It connects to sustainable economic growth by strengthening responsible leadership, productivity, and institutional effectiveness.	8	

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	S1	Manajemen	BUSINESS ENGLISH	This course focuses on entrepreneurship, business development, or market practices. It connects to decent work and economic growth by encouraging innovation, employability, and responsible enterprise.	8	
1251	S1	Manajemen	KEPEMIMPINAN DAN ETIKA BISNIS	This course focuses on ethics, integrity, and responsible professional conduct. It connects to strong institutions by promoting accountability, transparency, and trust.	16	8
1251	S1	Manajemen	PEMASARAN STRAT DAN ANALISIS	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	S1	Manajemen	PEMASARAN DIGITAL DAN MEDSOS	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	S1	Manajemen	PEMASARN GLOBAL & LANSKAP INTER	This course focuses on international relations, diplomacy, cooperation, or cross-border collaboration. It connects to partnerships for the goals by strengthening collective action and global cooperation.	17	16
1251	S1	Manajemen	MODEL-MODEL PEMASARAN	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	S1	Manajemen	DESAIN BERPIKIR & PENCIPTAN IDE	This course focuses on technology, digital systems, or applied innovation. It connects to sustainable industry and infrastructure by strengthening technological capacity and problem-solving.	9	
1251	S1	Manajemen	PENDANAAN BISNIS	This course focuses on entrepreneurship, business development, or market practices. It connects to decent work and economic growth by encouraging innovation, employability, and responsible enterprise.	8	
1251	S1	Manajemen	DERIVATIF & INVEST. ALTERNATIF	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	S1	Manajemen	MANAJEMEN PORTOFOLIO DAN INVESTASI	This course focuses on management and organizational performance. It connects to sustainable economic growth by strengthening responsible leadership, productivity, and institutional effectiveness.	8	

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	S1	Manajemen	MANAJEMEN STRATEGI	This course focuses on management and organizational performance. It connects to sustainable economic growth by strengthening responsible leadership, productivity, and institutional effectiveness.	8	
1251	S1	Manajemen	MANAJEMEN KINERJA	This course focuses on management and organizational performance. It connects to sustainable economic growth by strengthening responsible leadership, productivity, and institutional effectiveness.	8	
1251	S1	Manajemen	MANAJEMEN KEUANGAN RISIKO	This course focuses on governance, risk, audit, or accountability systems. It connects to strong institutions by supporting transparency, oversight, and ethical organizational practice.	16	
1251	S1	Manajemen	HUKUM KOMERSIAL	This course focuses on legal systems, justice, and governance. It connects to peace, justice, and strong institutions by strengthening accountability, rule of law, and fair decision-making.	16	
1251	S1	Manajemen	ANALITIK BISNIS	This course focuses on entrepreneurship, business development, or market practices. It connects to decent work and economic growth by encouraging innovation, employability, and responsible enterprise.	8	
1251	S1	Akuntansi	ACCOUNTING PRINCIPLES 1 + LAB	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	S1	Akuntansi	PENGANTAR AKUNTANSI 1 + LAB	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	S1	Akuntansi	AKUNTANSI MANAJERIAL + LAB	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	S1	Akuntansi	AKUNTANSI KEUANGAN MENENGAH 2	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	S1	Akuntansi	AKUNTANSI BIAYA + LAB	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	S1	Akuntansi	AKUNTANSI KEUANGAN LANJUTAN 2	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	S1	Akuntansi	PAJAK INTERNASIONAL	This course focuses on international relations, diplomacy, cooperation, or cross-border collaboration. It connects to partnerships for the goals by strengthening collective action and global cooperation.	17	16
1251	S1	Akuntansi	AUDIT MANAJEMEN	This course focuses on governance, risk, audit, or accountability systems. It connects to strong institutions by supporting transparency, oversight, and ethical organizational practice.	16	
1251	S1	Akuntansi	SISTEM PENGENDALIAN MANAJEMEN	This course focuses on management and organizational performance. It connects to sustainable economic growth by strengthening responsible leadership, productivity, and institutional effectiveness.	8	
1251	S1	Akuntansi	AUDIT KECURANGAN	This course focuses on governance, risk, audit, or accountability systems. It connects to strong institutions by supporting transparency, oversight, and ethical organizational practice.	16	
1251	S1	Akuntansi	AUDIT TEKNOLOGI INFORMASI	This course focuses on governance, risk, audit, or accountability systems. It connects to strong institutions by supporting transparency, oversight, and ethical organizational practice.	16	
1251	S1	Akuntansi	AKUNTANSI MANAJEMEN LANJUTAN	This course focuses on management and organizational performance. It connects to sustainable economic growth by strengthening responsible leadership, productivity, and institutional effectiveness.	8	
1251	S1	Akuntansi	TATA KELOLA KORPORASI & ETIKA	This course focuses on ethics, integrity, and responsible professional conduct. It connects to strong institutions by promoting accountability, transparency, and trust.	16	
1251	S1	Akuntansi	AKUNTANSI KEUANGAN LANJUTAN 1	This course focuses on economic activity, employment, or organizational development. It supports inclusive economic growth and decent work through responsible professional practice.	8	
1251	S1	Arsitektur	STUDIO DESAIN TEMATIK 1	This course focuses on technology, digital systems, or applied innovation. It connects to sustainable industry and infrastructure by strengthening technological capacity and problem-solving.	9	

Term	Career	Program Studi	Mata Kuliah	Topik/Bab yang berkaitan dengan SDG	SDG	Supporting SDG
1251	S1	Arsitektur	STUDIO DESAIN TEMATIK 2	This course focuses on technology, digital systems, or applied innovation. It connects to sustainable industry and infrastructure by strengthening technological capacity and problem-solving.	9	
1251	S1	Arsitektur	STUDIO DESAIN TEMATIK 3	This course focuses on technology, digital systems, or applied innovation. It connects to sustainable industry and infrastructure by strengthening technological capacity and problem-solving.	9	
1251	S1	Arsitektur	STUDIO DESAIN TEMATIK 4	This course focuses on technology, digital systems, or applied innovation. It connects to sustainable industry and infrastructure by strengthening technological capacity and problem-solving.	9	
1251	S1	Arsitektur	KESEJAHTERAAN ARSITEKTUR KOTA	This course focuses on innovation, infrastructure, or applied systems development. It supports sustainable industrialization by encouraging practical solutions and technological advancement.	9	11
1251	S1	Arsitektur	STUDIO DESAIN INTEGRASI 4	This course focuses on technology, digital systems, or applied innovation. It connects to sustainable industry and infrastructure by strengthening technological capacity and problem-solving.	9	
1251	S1	Desain Komunikasi Visual	KOMPUTER GRAFIS 1	This course focuses on innovation, infrastructure, or applied systems development. It supports sustainable industrialization by encouraging practical solutions and technological advancement.	9	
1251	S1	Desain Komunikasi Visual	STUDIO DASAR DESAIN 1	This course focuses on technology, digital systems, or applied innovation. It connects to sustainable industry and infrastructure by strengthening technological capacity and problem-solving.	9
